

Who We Are

Melodic Health Services is your one-stop medical service provider for Home Care, Staffing and Therapy services, covering major counties in the DMV.

Our Company has been around in the health industry for many years and can happily boast years of experience. Melodic is a trustworthy name in the DMV home care industry simply because of the passion and compassion we have for others.

Our staff treats others with the utmost respect and ensures that every second with each client counts forever.

Melodic has appointed skilled, screened professionals and experienced professionals to exceed all of your needs. We provide care to meet both temporary and long-term care needs. Melodic is the future of healthcare services because of our innovative and seamless process.

Optimum Care for All

Our Approach

At Melodic, we are always hiring the best, skilled and most professional staff that are also compassionate and align with our company principles. Our employees are always screened thoroughly as we consistently hold them to the highest standard.

We make it a priority to match each client with a Melodic caregiver that understands their needs and that exceed those needs. At Melodic, we are committed to you, we do not count your time with us, we make your time with us count!

Melodic Mission

To deliver outstanding service to everyone, continue to pay special attention to every detail and caters to each individual's needs. Melodic thrives on fulfilling lives not vacancies!

Melodic Vision

To help you or your loved one to reach their optimum health goal in a safe manner! Develop a normal, meaningful and healthy lifestyle with the support of our trained and trusted professionals.

Non-Discrimination Policy

Our staff provide services to all persons without regard to race, color, religion, creed, gender, nationality, disability, sexual orientation, age and marital status.
